

Interactive terminal project

1: You find a mysterious key in your attic do you leave it or pick it up?

2: You're walking in a forest at sunset when you hear voices, do you follow them or ignore them?

3: You wake up in a space pod drifting towards a damaged ship, do you dock at the ship or just fly by?

4: You find an old flip phone near a sewer do you answer a call on the phone or don't answer and put it down?

5: You are exploring a cave when you see light coming from both left and right tunnels, which side do you go down?
